UNIVERSITY HIGH SCHOOL BAND

## BECOME A GUARD SPONSOR

To Whom It May Concern:

The University High School Band and Guard provides life-impacting opportunities for hundreds of young men and women in our central Florida community. Our goal is to educate the whole person, using the performing arts to instill character, confidence, and leadership in every one of our students.

One of the most highly visible ensembles we offer is our award-winning Winter Guard, which uses a combination of music, dance, and silent drill to create a unique performance every year. The Winter Guard then travels around the State of Florida, performing the show in competition during the spring season. This group was named the AAA Bronze Medalist in 2012 and AA State Champion in 2013, and recently placed third in the State of Florida at the FMBC Championships in Tampa.

It takes about \$9,000 for the winter guard to operate for one season. Unfortunately, only about 5-10% of our operating budget is provided by the school district; the rest of our support comes from our families and community. That's where you can help!

By becoming a program sponsor, you can help make this experience possible for our children, and in turn, our band and guard will be happy to help promote and support you and your business. Here are just some of the possibilities:

Advertising your business in our concert programs, parent, and alumni email lists, and on our band website.

Providing an official "thank you!" plaque to show your support for the school and community.

Bringing a performing group to your business to attract and entertain customers and create a lively atmosphere.

Please feel free to contact me or visit [www.UHSband.com/Sponsors](http://www.UHSband.com/Sponsors) to get started. Thank you so much for your time and attention. The University Band and Guard are looking forward to working with you!
