### **GENERAL INFORMATION**

---

Please refer to the University Band Handbook (available at [www.UHSband.com](http://www.UHSband.com)) for more information.

### **GRADING POLICY**

---

Your grade will be assessed according to the following criteria.

#### **Musicianship Standards (30%)**

Three musicianship standards must be completed each quarter. These standards can be found on your ensemble's page of the band website. Alternatively, taking one approved private lesson will fulfill this requirement for the grading quarter.

#### **Co-Curricular Participation (25%)**

Attendance at all co-curricular rehearsals, performances, and other events is mandatory. This includes after school rehearsals for both marching band and concert band.

Excused absences must be requested ahead of time by contacting a director via email. In the event of an emergency, get in touch with a band director as soon as possible. Unexcused absences are not permitted at any time and will result in the loss of credit in this area.

#### **Playing Tests (25%)**

Performance-based assessments will be given throughout the year, both individually and in a group setting, at the director's discretion.

#### **Classwork (20%)**

Classwork includes any written, electronic, or otherwise non-performance assignment.
