

## ENSEMBLE AUDITIONS

Wednesday, May 8, 2024

Although there is no audition required for membership in the University Band, an audition is required to be placed in one of our advanced ensembles: Wind Ensemble, Symphonic Band, Big Band, and Intermediate/Advanced Percussion.

The purpose of the audition is to allow our directors and staff to place you in the class that best matches your abilities. Perform as much of the audition as you are able. Relax and do your best!

### Requirements
