Minutes

Melanie Williams – The Minutes were previously shared on the Band parent page. No corrections.

Follow Up

- Samary Hill was not in attendance to inform if any parents reached out to start putting together a “freshman parent survival guide.”
- Ivan Torres - introduction video interviewing some current parents and that could be shared with incoming parents.

Board Member Reports

- **Chaperones** (Dawn Brockhoff) – No report
- **Percussion** (Christian Lau, James Jordan) – No report
- **Guard** (Irma Connelly, Alexsa Shever) – The truck will not be available for the upcoming performance. They are in need a good cart as the current cart fell apart. They found a cart for \$750/\$650. They have raised over \$1100. Could they purchase a cart from that fund? They also need a Volunteer with a trailer to help with the Winter Guard performances and All County. Their first competition is January 27. Mr. Brown will post a volunteer list - a Volunteer is needed to transport the cart to and from shows. Before purchasing a cart, Mr. Brown will scout out the school to see if he can find the green cart that has gone missing. FYI: U-Haul does not make donations to school.
- **Fundraising** (Dr. Amy Wright, Marc Yoder)
The Publix performances on 12/17/22 earned \$1,147.35. The cash was deposited in the FOCPS account. This leaves a balance of \$3,380.16, most of which will be used to pay for the winter guard floor. We successfully paid for the judges for the Classics and the three charter buses for FMBC (\$9,000). Mr. Brown is to check drumline deposit against latest fund report.
- **What's Next:**
Marc reported that he interviewed all three Publix Managers and they talked about Valentine's week performances. We explored dates and President's day weekend is under consideration. (February 11 is the date of solo ensemble). Other ideas for performances included right before football season start; and Superbowl Sunday, February 12. Mr. Brown will let Marc know.

- **Hospitality** – (Kat Sutherland) – No report.
- **Health & Safety** – (Jasmine, Dawn) – No report.
- **Communications** (Tracy, Trena) – No report.
- **Member at large** (Liz) – No report.

Committee Reports

- **Concessions** (Gabriel, Kerri) – Gabe asked about the AC. It will be fixed.
In response to a question, Mr. Brown informed that the Volunteer shirts have arrived. Liz Dehalt is working on sorting them and they will be handed out soon.
It was suggested that we consider selling shirts as a fundraiser, change the design as not every band parent is a volunteer. Ideas should be submitted to Mr. Brown.
- **Commentary/Suggestions on Articles of Operation** - No comment.
- **FFCC University on March 11, 2023**
We need an **Event Manager** and a **Volunteer Coordinator**. Anyone interested should email Mr. Brown.
- **Hospitality** – Lunch and dinner will be provided for the Judges’ and there will be a room for the Directors. Better communication needed ahead of time to let Judges and Band Directors know that the meals are available and the location of the room. Mr. Brown will be sure to include in packets, the welcome team will remind Band Directors upon their arrival. It was decided to have a Taco Bar, and Mr. Brown will get Kat the number of Judges.
- **“Bouncer”** – Someone at the door to check wristband. Luis and Connie were assigned.
- **Ticket Sales** – Tell Directors about the hospitality room upon check in.
- **First Aid** – This will be set up in the hallway. The Show goes from 11am to 8pm. Volunteer shifts will be set up.
- **Concessions** – Gabe needs an approximate number of attendees to gage the amount of food to purchase. It was said that Neal would know the answer. Gabe will follow up with Neal.
- **Parent Advisory Committee** - Mr. Brown would like a parent advisory committee established to come up with some proposals on handling fundraisers, obligations, and band accounts. How that works with the individual student’s account is that most Band groups reset it each year instead of rolling it over. He would like a diverse group of parents to give input. Mr. Brown will send out an invite. It was decided to hold the first meeting on February 7, at 6:00pm.

Open Floor

- Open discussion from any band parent
Karen asked if all schoolpay payments are posted to students’ account. Mr. Brown responded that the system is up-to-date as of December 23, 2022.
