

SEMI-TRAILER

Fundraising for a New Truck

*“Nobody leave until your uniforms are put away
and all the equipment is properly stored!”*

This is what our students repeatedly hear every time we return to the school from a band performance, no matter how late. Often, it is already after midnight by the time the band makes it back to our campus, and the students then have at least another hour of work before they can be dismissed.

“Great job today, everyone! You are dismissed. Have a great night!”

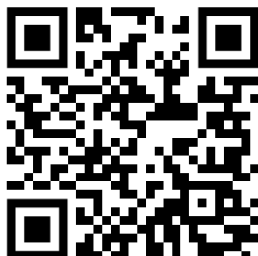

Wouldn't that be a better way to end a hard day's work? You can help make that happen by donating toward the purchase of a new semi-trailer for the UHS Band!

With a semi-trailer, we would be able to safely and securely store our uniforms, instruments, equipment on the truck and unload at our convenience the following school day. Exhausted students would be able to go straight home at the end of the night, and parents would be spared long waits

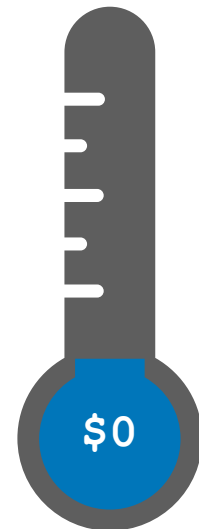

in the parking lot while students finish putting everything away.

On top of the practical aspects described above, at every performance, the UHS Band would arrive with an air of professionalism due to our customized trailer, and we can even bring advertising space for our business sponsors wherever we go!

Florida Utility Trailers has a 53' truck with side-loading doors on offer for just \$17,000. It's even already painted Blue and Gold! Please consider making a donation to help the UHS Band!

\$17,000
